Additional Local. Cheboygan Timber Business. Although the timber business of this lace during the past season may not have been as large as some years in the past, yet the figures show that it has been of no mean proportion, Through the kindness of Mr. Charles Wilkie, under whose supervision the shipping has been done, we are enabled to give our readers an idea of the business. Up to this date six schooners have been loaded by Mr. Wilkie, the America, Groton, Nanzanella, Albatross, Emerald and Shandon, Cheboygan. the three last named being loaded the week just past. Of the timber shipped, raised their nets and are preparing for 45,000 cubic feet was "wany" white pine, fall fishing. which ranks as the best grade, 50,000 cubic feet of Norway, 15,000 cubic feet of square white pine, making in all 110,000 for Lake Michigan ports. cubic feet shipped. In addition to the timber were thirty-five masts and spars The timber was all shipped on account

of Ross & Co., of Quebce, and all goes to that market, from which place it is to be forwarded to Great Britain and Europe. In addition to the timber busines, Mr. Wilkie has superintended some extensive improvements upon property belonging to the firm on the other side of the river, in the way of clearing, ditching and stumping to the amount of several thousand dollars. This work has greatly enhanced the value of the prop PLANED LUMBER, FLOORING, erty as well as its appearance. They have also built one of the largest and best barns in the place. We trust ber of passengers at this place last Saturenergetic business man whom it is

> always a pleasure to meet. Shipping Notes. The following vessels have loaded at Schooners Enterprise and Morning Star, were loaded with lumber for Chi-

ago, by Barelay & Co. The schooner Trowbridge, by Nelson & Bullen, with lumber for Chicago.
